Our dear friends and supporters:

The bustle and glittering of the Christmas holiday season is over, and yet the fond memories of the cheers, smiles and joy of children with their toys and presents are still vivid in our minds and hearts.

Christmas, sadly has been trivialized by business and the secular minds that steal the real meaning, the spiritual dimension of the celebration of the birth of our dear Lord and Savior, Jesus Christ. It is the imperative of the church and Christians to bring back the real meaning of Christmas. We believe that we are doing our part to keep Christ in the center of Christmas.

This past holiday season was a most joyful and successful one at Good Samaritan Mission, as far as we can remember. Church events were very meaningful, our congregation was moved and filled with the real spirit of the holiday season, and our children were deeply touched by the outpouring of love and fellowship displayed by some many caring Christians. How can we express our gratitude to you all for making this past Christmas celebration a most joyous one for so many of our kids!

It is easy to be forgetful, and still we cannot erase from our memories and hearts the many people that contributed to bring happiness and lots of radiant smiles in the faces of our cherubs. Right there, in the midst of all those names is yours! God has given us so many wonderful friends and supporters that make dreams happen.. We have been blessed by your generous involvement that helped our precious kids treasured deep in their hearts the last holidays as unique in their lives.

Thank you so much for letting yourself become an instrument of God's blessings to so many little ones. Their smiling faces are our mutual rewards.

Faithfully in Jesus,
